## DEPARTMENT OF COMPUTER SCIENCE BS-CS MORNING/ EVENING , SESSION 2021-2025

### FINAL YEAR PROJECT (FYP) PRESENTATION SCHEDULE

Dear Students,

The **Final Year Project (FYP) Presentations** for BS Computer Science (Batch 2021-2025) will begin from **Saturday, 2nd August 2025**. Each day will include **five groups**, and **presentations will alternate between boys and girls** to ensure smooth management. **Sundays are excluded** from the schedule. Please carefully review your scheduled date, project title, and group members listed below.

#### **Presentation Guidelines:**

To ensure a professional and productive presentation session, all groups are instructed to adhere to the following guidelines:

1.  **Presentation Duration:** Each group will be allotted **15–20 minutes**, including Q&A.
2.  **Presentation Slides:** Be fully prepared with a well-structured and visually clear presentation (PowerPoint or PDF).
3.  **Documentation:**
  - Bring a **printed copy** of your final FYP documentation.
  - Submit your **initial proposal document** and any progress reports (if not already submitted).
4.  **Technical Requirements:**
  - Ensure **stable internet connectivity** in case any part of the demo is online.
  - All required software/tools must be pre-installed and tested in advance.
5.  **Live Demonstration:** Prepare a working demo of your system. Make sure all modules run smoothly.
6.  **Professionalism:** Dress appropriately and communicate your idea confidently and clearly.
7.  **Punctuality:** Arrive **at least 15 minutes before** your scheduled slot. Late arrivals may not be accommodated.

Failure to follow these guidelines may result in a deduction of marks or rescheduling penalties. We wish you the best of luck for your FYP presentations!
